# **Buff It Up! Program**

### **BUFF = PERFECTION + PERSONAL STYLE**

The Buff It Up! Program is a self-paced personal development program for the individual who wants - and is ready -- to have it all and have it all right now.

The Buff It Up! Program targets 10 areas of your life, as listed below.

This 4-page worksheet is designed to be used in conjunction with a coach trained to deliver this program. Also, many people find that this program is more realistic after they've completed the Personal Foundation Program, also available from Coach U.

The 10 areas on which you will be working are:

- 1) My Body
- 2) My Spirit
- 3) My Heart
- 4) My Self-Care
- 5) My Home
- 6) My Work
- 7) My Quality of Life
- 8) My Finances
- 9) My Family/Friends
- 10) My Magic

**Notice:** This is a VERY rigorous program. Take it one piece at a time. Your "first score" may be less than 10 or 20. Do not worry. You'll get to 70, 80, or 90+ sooner than you may think. Once started, the personal buff process carries its own momentum.

Instructions for this program are on the last page.

#### INSTRUCTIONS

There are 4 steps to completing the **BUFF IT UP! PROGRAM.**™

Step 1: Answer each question. If the statement is true, fill in the square. If not, leave it blank until you've done what it takes. Be rigorous; be a hard grader. If the item does not apply or will never be true for you, fill it in anyway. Give yourself credit. (You may do this with up to 5 items.) And, feel free to rewrite or reword up to 5 of the items in this program to better suit you, your needs and your life.

**Step 2: Summarize each section.** Add up the number of filled in squares for each of the 10 sections and write those amounts where indicated. Then add up all 10 sections and write the current total in the box on the first page of this form.

Step 3: Color in the Progress Chart on the first page. If you have 5 circles filled in the My Body section, for example, color in the bottom 5 boxes, and so on. Always start from the bottom up. The goal is to have the entire chart filled in. In the meantime, you have a current picture of how you are doing in each of the 10 areas.

Step 4: Keep playing until all boxes are filled in. This process takes between 6 months - 5 years, but you can do it!! Use your coach or advisor to assist you. And check back quarterly for maintenance.

\*\*\*\*Also, please note that if any of the categories don't "fit" with you, cross them out and fill in what DOES work for you!!! Most of all have FUN with this!!
